Music Signout Policy:

GMC invests continuously to keep its music library up to date. Our music packages are both costly and time consuming to replace. Therefore, music may only be signed out under the following circumstances:
 Singers who have not yet paid the membership fee for the semester must pay a **music deposit of \$30**. The music deposit will later be credited toward the membership fee.
 If the singer decides to leave the choir without joining, the music deposit will be refunded upon return of the complete music package.

Both members and non-members are required to provide complete contact information at the time of music signout.

Membership Dues:

Newcomers may take part in two rehearsals without obligation. By the third rehearsal, registration – **including non-refundable payment** of one semester’s membership fee – must take place.
The GMC membership fee for the 2013/2014 season is \$75 per semester or \$150 for the full season.
Returning of all music scores is the responsibility of the Chorister. \$30 will be charged for non-returned music.
